

# 6236AB-C

## SOFT SERVE FREEZER

1 Flavor, Countertop, Pump, Pasteurization

Most **Compact & Powerful**  
high capacity countertop model  
with **Auto-Pasteurization**  
and intelligent control

### Auto-Pasteurization

Significantly reduces frequency of cleaning to every 21 days with scheduled daily auto-pasteurization

### Digital Control and Display

Microprocessor control provides access to system settings and additional functions. Digital interface displays critical info as system status, temperatures, dispense count, errors, etc.

### Operation Logging

Logs every operation and error to provide history and data for easy troubleshooting

### Auto Programming

Allows automatic switching of operation modes based on preset schedules

Ideal for any restaurants, convenience stores, dessert stands and delis to serve ice cream and gelato with desire for significant reduction in labor cost of cleaning.

### Hopper Agitators

Maintain product consistency and prevent product separation

### Defrost for Cleaning

Increases efficiency during cleaning by heating frozen product in cylinder

### Direct Drive Transmission

Eliminates consumable moving parts and increases transmission efficiency

### Safety Protections

- Low temperature and motor overload shutoffs to protect in the event of cylinder freeze up
- High pressure switch to prevent compressor overheating

### Quick Refreeze

Turn on freeze immediately to freeze down to serving viscosity when quick service is required after long idle period

### Self Closing Valve with Speed Control

Automatically prevents product overflow after dispense; Provides flexibility in dispense rate control
